## **Ditchrider**

The Yakima-Tieton Irrigation District is seeking qualified applicants for the position of Ditchrider. The job description is as follows: Will work generally in an assigned area of the District. Will be responsible for maintaining the alternate flow schedule for the assigned area. Will perform regular and scheduled maintenance on turnouts and other pipeline appurtenances as directed. Will be responsible for the proper draining and charging of the pipelines in the assigned area and coordinate these activities with the maintenance supervisor. Will be responsible for answering locate requests in the assigned area, be watchful for District easement encroachments and monitor outside contractors working around District facilities. Will work in all laborer classes as needed. The main area assigned to this position is Naches Heights, Cowiche and Tieton but training will include the entire District. The position is represented by a collective bargaining unit organized under Laborers Local No. 348. This position is full time with benefits. The starting wage will be \$22.58 per hour plus overtime. A training program will be provided with appropriate wage increases through the training period. The Yakima-Tieton Irrigation District serves 28,000 acres through a pressurized pipe delivery system and is located west of the City of Yakima.
