

3/2/2021

Swalley Irrigation District is seeking to fill the newly created position of:
Field Tech II

To apply, go to the Swalley website <https://www.swalley.com/job-openings> and download the Field Tech II Application and Job Description documents.

This new full-time position is being advertised March 2nd, 2021 until filled. Applications should be submitted as soon as possible and emailed to the General Manager at jer@swalley.com

Prior experience as an irrigation ditch rider, field technician, or water operator specializing in irrigation and mechanical maintenance will be prioritized. Top candidates will receive an interview and interviews will be held until the position is filled. Start date is flexible and negotiable, but candidates are encouraged to be ready, willing, and able to start as soon as possible.

Appointment to the position is through an open competitive process and will be based on the General Manager and Field Supervisor's evaluation of merit, qualification, experience, and character. The starting wage for this position is competitive with similar jobs in the County and negotiable depending on experience. The position offers health, vision, dental, life, disability, 401a and 457b retirement benefits. The District provides all of your tools and a work truck.

This is a rare job opening with an expectation to advance. We appreciate your interest.
